

The touchpoint for great opportunities and great memories.

- High resolution touch-screen monitor provides more vibrant, brighter graphics and an improved viewing angle for a better user experience.
- Enhanced AUR process simplifies setup and preloaded software that's ready to go once configured.
- Easy wireless image uploading from mobile devices via **Bluetooth** and Wi-Fi technologies.
- Front-facing receipt paper access makes it easy to change rolls.
- Improved serviceability, increased customer replaceable components.
- Maintains environmental standards - newly acquired ECMA 370 ecodeclaration.
